The MPCA Commissioner brought up the Governor's comments about EPA during our call today – and suggested MPCA/EPA outreach to Gov. I indicated that I would be coming through the Twin Cities next week and they said MPCA would like to set up a meeting with the Governor/COS. OK to proceed?

I have a video conference with MPCA at 2 pm central. Any new thoughts about whether I should try to meet with the Gov when I am in the Twin Cities on Monday/Tuesday of next week?
